

AGENDA

Vietnam Climate Action Workshop

September 26, 2019 Ho Chi Minh City, InterContinental Saigon

Target group: Tier 1 and Tier 2 Suppliers	
Organizers: The event is jointly organized by Vietnam Textile and Apparel Association (VITAS), Adidas and Deutsche Gesellschaft für Internationale Zusammenarbeit (GIZ) GmbH on behalf of the German Federal Ministry for Economic Cooperation and Development.	Focus: How can we collectively drive climate action? What are brands' expectations? What is the relevance for suppliers? How can you improve the carbon footprint of your production and who can help you do that?
The workshop will address the above questions on: How carbon reduction is related to the factory, what role you play in your reduction roadmap and how it is linked to the brands. Finally, it will introduce different support options that can help you in your journey.
